### Notes

1. Data source: Provincial Health Services Authority, BC Ministry of Health.
2. Excludes residents that were symptomatic or recently have had COVID-19.
3. Includes other residents that were co-located and vaccinated in the same facility eg independent living.
4. A coverage rate below 100% may be attributable to:
  - Residents declining vaccination.
  - Residents not being on site at the time of the facility vaccination clinic.
  - Residents unable to receive vaccination for medical reasons.

\*Co-located Long Term Care and Assisted Living facilities. Totals in this list will include all residents of co-located facilities.
