

K. CASE DEFINITIONS		
Influenza Severe Outcome Surveillance (SOS)		Reportable?
Hospitalization*	Any person admitted to a hospital for at least an overnight stay [†] with laboratory-confirmed influenza.	Yes
ICU admission*	Any person admitted to an intensive care unit (ICU) bed for at least an overnight stay with laboratory-confirmed influenza.	Yes
Death*	A death (from any cause) occurring in any person with laboratory-confirmed influenza with no period of complete recovery between illness and death.	Yes
* The hospitalization, ICU admission, or death does not have to be attributable to influenza; a positive laboratory test for influenza is sufficient for provincial surveillance reporting.		
[†] Includes persons admitted to hospital but without transfer to a ward/unit.		

L. PANORAMA DATA ENTRY DETAILS
<p>If the client is pregnant, record as a Risk Factor (under Subject in the left hand navigation).</p> <p>Risk Factor: Special Population - Pregnancy Relevant to Disease Investigation Additional Information: Record expected due date Response: Yes Start Date: Estimated date of conception. If unknown, use the first day of the estimated month of conception. End Date: Date when public health was made aware that the client is no longer pregnant</p> <p>Training Materials (https://panoramacst.gov.bc.ca): Client Warnings-Quick Steps-Shared Services, Risk Factors-Quick Steps-Shared Services Data Standards (https://panoramacst.gov.bc.ca): Pregnancy- Data Capture Guideline-Investigations, Risk Factors-Data Standard-Shared Services</p>
<p>If details about historic immunizations are available and your regional Health Authority documents influenza immunizations in Panorama, record in the Immunization Module according to the data standards below.</p> <p>Only enter immunization information for the current season's influenza vaccine (if available).</p> <p>For documented immunizations, record in Immunizations -> Record & Update Imms:</p> <p>If the agent(s) and the complete date(s) (day/month/year) are known, enter the dose(s) using the Add Historic Immunization screen, specifying the agent(s) and date(s) administered. If additional information (e.g. lot number, site, route, trade name, manufacturer, dosage) is known, record it in the designated field(s).</p> <p>If the agent is known and the year and month, but no day, is known, enter the dose(s) using the Add Historic Immunization screen, specifying the agent. Record the date as the last day of month. Select the Estimated flag. If additional information (e.g. lot number, site, route, trade name, manufacturer, dosage) is known, record it in the designated field(s).</p> <p>For undocumented immunizations, record in Immunizations > Special Considerations:</p> <p>Record undocumented immunizations using the Add/Update Special Considerations screen. Create an Exemption with the Reason for Special Consideration specified as 'Client Reports Undocumented Immunizations'. Enter the effective date according to date standards specified above for documented immunizations and select the most appropriate option from the Source of Evidence field. Exemption should be future end-dated to the best estimated date for when Special Consideration will no longer be relevant (i.e. start date of next influenza season, typically October 1).</p> <p>Training Materials (https://panoramacst.gov.bc.ca): Add Historical Immunization-Quick Steps-Immunization, Special Consideration-Quick Steps-Immunization, User Defined Forms-Reference Guide-Investigations Data Standards (https://panoramacst.gov.bc.ca): Historic Immunizations-Data Standard-Immunization, Special Considerations-Data Standard-Immunization</p>
<p>If the outcome is fatal, record as follows.</p> <p>Outcome: Fatal Outcome Date: Date of death Cause of Death:</p> <p>After recording the outcome, inactivate the client in the Personal Information screen (under Subject > Client Details, on the left hand navigation) following routine procedures/standards.</p> <p>Note: If the outcome is not fatal, the outcome date is the date public health was made aware of the outcome.</p>

NOTE: Additional relevant training materials and data standards are available on the Panorama Solution Partner Portal (<https://panoramacst.gov.bc.ca>).
