**Re: Update to Communicable Disease Control Manual,
Chapter 6: Surveillance of Reportable Conditions.**

Ebola Virus Disease

Please note the update of the following section from the Communicable Disease Control Manual, Chapter 6: Surveillance of Reportable Conditions: [EVD Case Report Form \(January 30, 2023\)](#) to replace EVD Case Report Form (February 27th, 2015)

The main changes are:

- Updated web links
- Expansion of gender to include undifferentiated and unknown

Please note the update of the following section from the Communicable Disease Control Manual, Chapter 6: Surveillance of Reportable Conditions: [EVD Contact Report Form \(January 30, 2023\)](#) to replace EVD Contact Report Form (February 27th, 2015)

The main changes are:

- Details regarding incubation period have been added
- Clarified language around thermometer use and taking own temperature
 - “Provide a monitoring form and thermometer” to “Provide a monitoring form and recommend individual to obtain thermometer (if not already possessed)”
- Clarified language around questions related to incubation period
- Expansion of gender to include undifferentiated and unknown

If you have any questions or concerns, please contact me at 604-707-5620 or
Aamir.Bharmal@bccdc.ca

Sincerely,

Aamir Bharmal, MD MPH CCFP FRCPC
