Holders of Communicable Disease Control Manuals

**Re: Revisions to the Communicable Disease Control Manual – Chapter 5:
Sexually Transmitted Infections: Section 1: STIs**

Please note the following changes to the BCCDC Communicable Disease Control Manual – Chapter 5: Sexually Transmitted Infections: Section 1: STIs:

1. Please insert the following updated section into the [Communicable Disease Control Chapter 5: Sexually Transmitted Infections: Section 1: STIs: Supporting Documents for STI Clinical Practice](#)

New “Standard Client Education for Sexually Transmitted and Blood-Borne Infection (STBBI)” document developed to support the provision of general client education in STBBI clinical encounters.

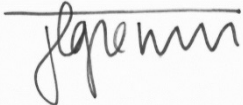

2. Please note the following updates to the [Communicable Disease Control Chapter 5: Sexually Transmitted Infections: Section 1: STIs: Non-Certified Practice Decision Support Tools for STI](#)

Link to the “Standard Client Education for Sexually Transmitted and Blood-Borne Infection (STBBI)” document added to all ‘Client Education’ sections in all Non-Certified Practice DSTs.

If you have any questions regarding these changes, please contact:

- Dr. Troy Grennan, Medical Lead, STI/HIV Program, Clinical Prevention Services
Troy.Grennan@bccdc.ca
